## **Editor's Note**

Unlike those that choose gluttony or suffer from eating disorders, Boomer leads the pack in healty eating. Never overeating, limiting himself to no more than a barrel of chicken at one sitting, or excessive amounts of gravy (3 pints or less). Boomer avoids transfats, preferring pure lard and butter where possible and always flushes his system with beer (whiskey is evil - beer is pure) Yes, being health conscious isn't easy for all, but for some, it just comes naturally !!!
