Players that play one game or more with any Senior League Team will need a release before they are eligible to play on another Senior League Team.

Players that play on another Senior League Team and not released will be suspended and deemed ineligible players.

Players that have played one or more games with a WSBL team in the current year, will be required to obtain a release from that team before they can play or sign with another WSBL team by the roster deadline

Senior teams may use junior or midget players but they may only be affiliated with one WSBL team

A team must have 9 players to play. A 15 minute grace period will be given. If 9 players are not ready to play then the game will be considered a forfeit.
